BMIL MENGER, Professor of Music. MISS EMILY A. WHIFFIN, Precrytress, aided by as many competent teachers as the interest of the Institution may require MRS. MARIA C. CRAWFORD, Superintendent of the Board-

APPARATUS.

These Institutions are form shed with some valuable Chemical and Philosophical apparatus; also with Globes, Maps and Black-boards. It is designed to add to the Chemical and Philosophical Apparatus as soon as practicable. SESSIONS.

The first asssion of 1953 will commence on Monday the 7th day of Fabruary, and close on Thursday the 7th day of Jel-The second session will commence on Wordsy the 25th of July and close on Friday the 23d of D.c. mber. EXAMINATIONS.

There will be a public Examination at the close of each sescion; that in the summer occupying four days, and that in the winter occupying two days. We carriestly and respectfully inwite the people, and particularly the patrons of these Institutions, to attend the examinations. HEALTH.

It should be recorded with heartielt gratitude to the "Giver of every good and perfect gut," that there have occurred but three Arrow Root, Bermuda; deaths among the hundreds of students who have reserted to Arrow Root, America these Institutions of learning. And porhaps there is not a more healthful location in the southern country than Crawfordsville. REGULARITY.

The opening and closing of the schools and their recesses each day, are all regulated by time-pieces. The doctrine of "fashionable hours" is discarded at these Testitutions, and nearly the whole day is devoted to the interests of the schools.

RATES OF TUITION. PER SESSION OF FIVE MONTHS-For Orthography, Read-oric, &c., For the Latin, Greek and French Languages, and Math-For use of the Instrument, 5 00 For Music on the Guitar, 20 00 TERMS:

Each student is bound for the tuition, from the time he or she No deduction is made for absence, either in board or tuition, except in the event of sickness, of more than one week's duration, at a time. At For fractions of terms, each week is computed as one-twen-Meth, both for tuition and board. In the future these terms will be strictly enforced.

BOARD. The President will take into his family, as boarders, some twenty-five or thirty students, at eight dollars each, nor mouth, including washing, lights &c. Board can also be obtained in Mace. good families in the vilage and its immediate vicinity. PERMANENCY.

age weight of each bale, 518 lbs, and of a fair sample.

For the last 25 years I have had run most of the time have of course, worn out a number of gins, and tried several that I did not purchase, making it a rule, regardless of price to buy from the best gin makers I could hear of, and I consider the gin you made for me. think proper, &c. With much respect, your ob't serv't. CHAS. GATES.

P. S .- The running gear attached to the gin are the common 10 feet cast segments and band wheel 8 feet in diameter.

ABERDEEN, Miss., Sept., 1852.

The undersigned having used Gins manufactured in Aberdeen, Miss., by Gullett, Kirkpatrick & Co. lake pleasure in saying that we are greatly pleased with them in every respect, and confidently recommend them to the patronage of their acquaintances and the public generally.

We prefer them to any we have used, and in no case have we heard of them failing to give entire satisfac-
